Zero Boundary, Film Holder and Film View Supplied

MICROTEK
SCAN THE WORLD

Zero Boundary | Slim Design | 4800 DPI | Film Holder | Film View | Smart Touch Buttons | Book Scan | Film Scan | 35mm Filmstrip | 35mm Slide

New solution for scanning thick documents

The ScanMaker s450's patented Zero Boundary™ design eliminates the problem of scanning bound pages with text and pictures close to the inner margin of a book or magazine. You get easy-to-read text and clear images across the entire page.
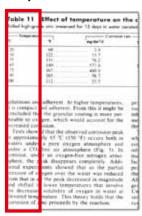

Zero Boundary design at left margin   **Zero Boundary design at right margin**

No more distortions, no more blurs

Conventional scanner   **ScanMaker s450 with Zero Boundry design**

Built-in transparent media adapter and film holder

Convenient transparency adapter built into the lid for easy 35mm slide and filmstrip scanning

Scan and preview slides and negatives

Previewing your film or slides before scanning has never been easier - just use the FilmView™ unit on top of the scanner like a lightbox to see all you slides and fimstrips clearly!
